

MEKA MODULAR

WELCOME TO VOR 2 BEDROOM BROCHURE

You've chosen the VOR 2 Bedroom Model!

The VOR 800 is a spacious, modular home with 800 sq ft of elegance and functionality. Ideal as an ADU, rental property, or pool house. Its open floor plan is filled with natural light, connecting indoor and outdoor spaces. Premium finishes and modern features ensure luxury and practicality. With generous living areas, it's perfect for tenants or homeowners. The VOR offers the potential for a large backyard or poolside space.

YOU'RE ALL SET!

Thank you for selecting all the options that we offer with our models

We will review your choices carefully and inform you if any adjustments are necessary.

Please note that all finishes are included, except for the washer dryer, which will be available at extra cost.

You can specify your own model and make which will be delivered to the site upon installation of your module.

The furniture shown in our visuals is for display purposes only and is not included. However, essential features—including kitchen cabinets, faucets, showers, toilets, flooring, and bedroom closets—are all provided as standard with your modular building., offering a complete, high-quality living space.
