# YOU'RE ALL SET!

Thank you for selecting all the options that we offer with our models

We will review your choices carefully and inform you if any adjustments are necessary.

Please note that all finishes are included, except for the washer dryer, which will be available at extra cost.

You can specify your own model and make which will be delivered to the site upon installation of your module.

The furniture shown in our visuals is for display purposes only and is not included. However, essential features—including kitchen cabinets, faucets, showers, toilets, flooring, and bedroom closets—are all provided as standard with your modular building., offering a complete, high-quality living space.
